# Startup costs deduction

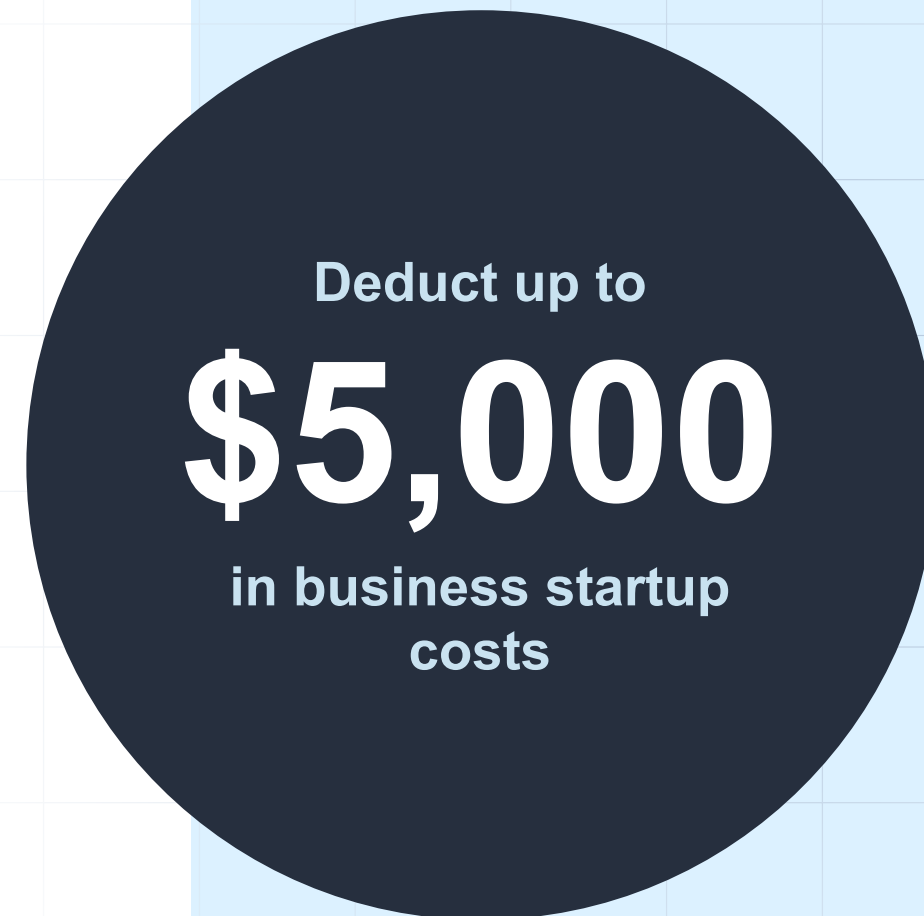

According to the Internal Revenue Service, you can deduct up to \$5,000 in business startup costs in the first year of active trade or business.

What does that mean?

It means that you can deduct every cent you are investing in our Premium Products service, so **your business launch will cost you NOTHING!**

*Just think:* you can start earning thousands of dollars very fast – all with **zero initial investment.**

Have you ever seen such an offer before?

# You are in good hands

Your success is our success, so we'll do anything (literally anything) to help you flourish.

Your personal manager will guide you through all the steps of your business launch and management, answer all your questions, and take care of every issue.

# Ready for the smoothest business start?
